

Press Operator

RSL, a door and door-glass manufacturer with U.S. headquarters in Egg Harbor Township, NJ, has an immediate opening for a Press Operator (OH). We have production facilities in Ohio, NJ and affiliated production facilities in 13 other locations including France & Canada. We are a stable and consistent employer that has operated successfully for over 55 years.

Job Description

- Operate injection mold press to make plastic product
- Inspect and observe parts for dirt, defects or an imperfectly molded product
- Trim gates, flash, or other mold marks neatly and precisely as per detail sheet
- Hand stamp operator's number on part for future identification
- Fill box to proper capacity and push box to the side for Material Handler to stack

Required Skills

- Able to read and write
- Good physical condition and strength with a willingness to work overtime
- Able to make, trim, and inspect products that could weigh up to 20 lbs each
- Able to push completed boxes of product weighing as much as 100 lbs.

What's In It for You?

- Competitive salary
- Generous paid time off
- Benefits (Medical, Dental, Life, 401k)
- Sign on bonus (\$250 after 90 days, additional \$250 after 180 days with good attendance)
- Press Operator hours are 7am-7pm or 7pm-7am Tues-Friday.
- Consistent 40 hour work weeks with overtime potential
